

The Snaith Award

THE SNAITH AWARD FOR AFFILIATED SOCIETIES

The Snaith Award is an annual award for projects completed by one of Leeds Civic Trust's Affiliated Societies, in the previous 12 months up to the end of August, carried out or initiated locally by the society and resulting in an enhancement, or enhanced understanding of the built or natural environment.

- Gold Award £500
- Silver Award £300
- Bronze Award £200

The first Award will be made for the year to August 2017. Nominations for the award should be made in writing (email or hard copy) to Leeds Civic Trust and should

- Provide information on the Affiliated Society
- Describe the project, including photographs, drawings or other media where appropriate
- Outline the process of achieving the project
- Demonstrate how it has resulted in an enhancement, or enhanced understanding of the built or natural environment.

Community groups who are unaffiliated, but have carried out a project which might be worthy of an award can affiliate to make themselves eligible.

To ensure the quality of submissions, the Trust would be under no obligation to make all or any awards in any category if there were insufficient projects put forward that meet the standards expected.

Projects funded by a Landmark Grant are excluded from consideration.

AWARDS TIMETABLE.

Award nominations should be made by October 15th and the Awards will be announced at Leeds Civic Trust's AGM (late November). We would be grateful if you can let us know at your earliest convenience if you intend to submit an application for this award.
