How Leeds Civic Trust Supports Heritage Open Days

Leeds Civic Trust is a volunteer-led charity and is proud to coordinate Heritage Open Days across the Leeds area.

For almost 30 years, we've worked with organisations, community groups and historic sites across the city to help bring the festival to life. Our dedicated volunteer committee builds relationships, supports event organisers and encourages new venues to get involved, helping to create a programme of over 100 free events each year!

For 2026 we have:

Awarded grants supporting new Heritage Open Days events across Leeds

Produced the Leeds Heritage Open Days Online Listing Guide, bringing together events in Leeds in one place that's easy to use!

Promoted Heritage Open Days across Leeds. Helping more people discover the city's heritage!

Encouraged new organisers and supported past organisers to make this year the biggest festival yet!
